Subject: FINAL Dimock AM on MS Word Needed

Ann,

I don't think I have the absolute latest version that was PDF'd I remember sending one for Dennis, but I think there were still a few minor changes.

Here's the one I sent.... Den...could you check and see if you have a later one on MS Word. Ann is beginning to work on a potential amendment for those (like ) who could be added to the provision of water.

Rich
